Hello – and good afternoon.

I apologize for the short notice, but staff from our office will be flying to Colorado and would like a briefing from EPA officials and a site visit of the Gold King Mine on the morning of Thursday, August 20.

We appreciate anything your office can do in assisting us with this request. Please don't hesitate to reach me on my direct line at (202) 228-3087.

Sincerely,

Brandon Ashley
